Cobra Class 4-P EPS

Heavy Duty Long Cylinder-arm Sewing Machine

Overview:

The Cobra Class 4-P EPS is a heavy-duty long cylinder-arm sewing machine designed to handle demanding leatherwork with ease, sewing material up to 22.2mm thick.

Renowned holster maker John Bianchi famously referred to the Cobra Class 4 as the “Dream Machine”, thanks to its exceptionally smooth, powerful and user-friendly operation.

Its heavy-duty multi-purpose presser feet are compact, strong and specifically engineered for precision in smaller, hard-to-reach areas.

Applications:

- Skirting leather, tack, bullet loops, chap leather and everything in between needed in leatherwork.
